SPONSOR MEDIA KIT · AUGUST 2026

Rod's Blog

Microsoft Security · AI Agents · Practitioner Briefings

rodtrent.substack.com

Audience snapshot as of August 26, 2026

One of the top Security and AI publications on Substack.

Rod Trent is a Microsoft Senior Product Manager focused on Security and AI. Rod's Blog is a leading Substack for Microsoft security and agentic AI, read by practitioners in Defender, Sentinel, Purview, identity, and production AI agents. Publishing is high-cadence: daily Security Check-in Quick Hits, deep agent-security analysis, shipping notes, and Saturday Funnies.

11,035	190,528	17.07%	942,310
Subscribers	Views, last 30 days	30-day open rate	Email opens, 2026 YTD

MOMENTUM Last-30-day views are up 46,425. July and August are the strongest traffic months of 2026.

Who you reach

- Security practitioners in the Microsoft ecosystem
- CISOs and leaders putting AI agents into production
- Builders working Defender, Sentinel, Purview, and identity
- Conference, MVP, and product-launch followers who already know Rod
- Readers who return by habit through email, direct, and search

How the list is built

38%	With the publication since the beginning
30%	Other Substack Network
12%	Existing Substack accounts
11%	New accounts created to subscribe
9%	Substack App

51% were discovered inside Substack. 38% have been with the publication since the beginning.

Where traffic comes from

Email opens	942,310
Google search	39,012
Direct visits	33,383
Bing + other search	6,698+
LinkedIn	3,275
X / Twitter	2,782
Reddit	2,454
GitHub + Notebookcheck	2,451+

Typical recent posts land between 1,800 and 2,800 views. High-engagement standouts:

16.61%	10.53%	2,863	2,648
Saturday Funnies engagement	Agentic Attack Artifacts, same morning	MCP Is the New Attack Surface	Assistive Copilot to Agentic SOC

Partnership formats

Sponsored Quick Hits

A native mention inside the daily Security Check-in that practitioners already open on a workday rhythm.

Dedicated briefing

A single-topic sponsored post aligned to a launch, research drop, or security category.

Issue + social amplify

Newsletter placement plus a share across Rod's X and LinkedIn channels.

Category partner

Multi-week presence across Quick Hits, a deeper post, and Saturday Funnies.
